We are proud to announce that we have officially achieved the Certification for Gender Equality under the UNI/PdR 125:2022 standard (MSC CERTIFICATIONS No. MSC1726433E1), following a thorough audit and analysis of our company processes and compliance.

This achievement reflects our concrete, daily commitment to building a fair, inclusive, and merit-based work environment founded on the value of every individual, without distinction.

We continue to cultivate the art of hospitality by first and foremost valuing the people who make up our team.
